

Surgical Technology
Advisement Packet & Application for Admission
Application Deadline: April 5, 2021

Campuses: Sallisaw

This career major is offered on ICTC's Sallisaw Campus. Students will experience challenging coursework with clinical instruction in a variety of surgical settings. The curriculum guides the student to utilize effective communication and critical thinking skills to provide quality patient care before, during, and after surgery. Students will work with surgeons, anesthesiologists, nurses, and other members of the surgical team. Upon successful completion of the career major, graduates may be eligible to take the National Surgical Technology Certification exam which allows them to be employed as Certified Surgical Technologists.

Classroom hours are generally Monday through Friday, 8:00 a.m. - 3:00 p.m. Class and clinical hours may vary, and the potential exists for some limited learning opportunities that can only be offered on the evening or during the weekend. In such cases, students are given as much advanced notice as possible. Students will participate in a minimum of 120 surgical procedures as set forth in the core curriculum for Surgical Technology, 6thed. The Surgical Technology program is approximately 11 months in length. Classes begin in August.

The instructional format of the career major is lecture with hands-on and interactive activities, laboratory practice and clinical experience. Students may be assigned to and required to travel to clinical sites located in and around the Fort Smith area throughout the 11-month training experience. Please note that instructional format could change to online learning due to COVID-19 circumstances.

Note: The "Application for Admission" is the only page from this packet that should be returned with other required documents. All other pages may be kept by the applicant for reference.

APPLICATION DEADLINE: APRIL 5, 2021

The Surgical Technology program is accredited by the
Commission on Accreditation of Allied Health Education Programs (CAAHEP)
1362 Park Street
Clearwater, FL 33756
727-210-2350
www.caahep.org

As of August 2021, to sit for the NBSTSA certification exam, candidates must have an associate degree or higher (in any discipline).
Candidates without a degree will sit for the NCCT certification.

ICTC reserves the right to close, extend, or re-open the announced application period for any campus without prior notification

APPLICATION TO ANY INDIAN CAPITAL TECHNOLOGY CENTER HEALTH CAREER PROGRAM DOES NOT GUARANTEE ADMISSION OR TIME PERIOD FOR ADMISSION.
Incomplete applications may not be considered for admission.

NON DISCRIMINATION STATEMENT

Indian Capital Technology Center is an equal opportunity institution in accordance with civil rights legislation and does not discriminate on the basis of race, color, religion, national origin, sex/gender, age, marital or veteran status, or disability in the operation of its educational programs, activities, recruitment and admission practices. Concerns regarding this policy should be addressed to the District Compliance Coordinator, at 918-687-6383 or 1-800-375-8324, 2403 N 41st Street E., Muskogee, OK 74403. Additionally, each campus has a contact in which complaints can be reported.

General Information

Admission Criteria and Selection	<p>ADMISSION CRITERIA</p> <ul style="list-style-type: none"> ■ Completed Application ■ High School diploma or GED (as evidenced by transcript – <i>not copy of diploma</i>)* ■ TEAS scores of 50 on Math AND 60 on Reading –OR– ACT score of 18 on Math AND 18 on Reading (taken within last 5 years – not prior to August 2015) <p>SELECTION</p> <p>All applications meeting the above criteria will be scored according to the “Priority Point System” and ranked according to the number of points received. Highest ranking applicants will then be selected for interviews. ICTC will determine the number of applicants interviewed. A minimum score of 10 on the Interview is required for admission.</p> <p>Following interviews, each applicant's interview points will be added to their "Priority Points". Selection for admission will be based on the TOTAL SCORE (Priority Points plus Interview score). Highest ranking applicants will be admitted.</p> <p>Applicants will be notified of admission or alternate status by letter in May.</p> <p>If selected for admission, continued enrollment is contingent upon a satisfactory background check and sex offender registry check, required drug screening, and clinical placement.</p> <p>Those chosen for admission will be required to attend orientation in June. Failure to attend could jeopardize admission. (tentative date: June 16)</p> <p><i>*Current high school seniors should submit a current high school transcript which indicates anticipated graduation date. Homeschool students are advised to take the GED exam.</i></p>
Cost	<p>Cost of the program is approximately \$5,800.00 (in-district).</p> <ul style="list-style-type: none"> • If admitted, students will be required to submit an estimated deposit \$150 by the first week in June to complete the background check, drug screen, and hold the position in the program. An initial payment of up to \$1,500.00 will be required prior to the first day of class unless a confirmed financial award is presented. Students who have secured funding from any entity should contact the bursar's office immediately and not assume that funding will waive the initial payment. All students must follow a specific payment schedule if not paid in full at admission. • Supplies and books are included in the program cost but may not be issued for portions of the program until payment is received. • Final grades and transcripts will not be released if a balance remains. • Complete the FAFSA as soon as possible after October 1. <p><i>*Fees & costs are estimated & subject to change. Payment amount depends on items purchased & amount of financial aid awarded.</i></p>
Other Requirements	<p>For those applicants admitted, additional requirements will include the items listed below. Detailed information will be provided with admission letters; items do not need to be submitted with application.</p> <ul style="list-style-type: none"> • Documentation of required immunizations • Physical exam and health history • Health care provider / BLS CPR certification • Background check • Drug screening <p>Background checks and drug screens are required for all students admitted to the surgical technology program and are coordinated by ICTC. Results of background checks could affect certification or employment. In addition, hospitals and other clinical facilities used for training may require background checks and drug screening prior to allowing students to begin clinical rotations. All clinical facilities have the right to deny clinical access to any student, resulting in potential inability to meet program objectives.</p> <p>Opportunities for advanced credit for Medical Terminology and Anatomy and Physiology are available, however testing may be required; official college or career-tech transcripts are required for consideration. These should be submitted with the application (for points) and no later than orientation for consideration for advanced credit.</p> <p>Purchase of scrubs, shoes and other items will be required if admitted. All students are also required to provide their own laptop computer or tablet (Chromebooks not compatible) and have Internet access at home. Detailed information will be included with admission packets.</p>

Other

ICTC is not obligated to admit applicants scoring below 50 on Math and/or 60 on Reading on the TEAS, or below 18 on Math and/or 18 on Reading on the ACT or scoring below 10 on the interview. If positions remain open after all applicants scoring above these levels have been accommodated, ICTC reserves the right to re-open the application period and/or admit applicants scoring below the preferred levels. If these applicants are admitted, ICTC reserves the right to admit contingently and/or on a probationary status and/or set stipulations for admission.

The TEAS may be taken two (2) times in a 6-month period; however, applicants who take the exam only 1 time will receive priority in the event of a tie (see "Point Ties" section). When taking the TEAS a second time, the application (and other documents) **should not be duplicated**. Forms indicating a re-take will be available at the testing site. Additional "Points" **will not be awarded** for documents submitted at re-take. TEAS scores are good for one year.

ACT scores must be within the past 5 years (not prior to August 2015). Residual ACT is acceptable.

Qualifying scores must be from the TEAS **OR** the ACT; scores cannot be a combination from both exams.

An alternate list will remain in effect until the first day of class. Alternates and applicants not admitted to the program should reapply to be considered for later admission.

The Adult Health Careers Handbook contains program policies and other information and is available online at www.ictctech.com. For questions about the program contact Karla James, AHC Recruiter/Advisor, at 918-348-3923.

The requirements for successful completion of the surgical technology program are: (1) maintain a minimum 80% average for each course (2) demonstrate all skills with 100% accuracy (3) provide documentation of the required 120 surgical cases, with a minimum of 80 being performed in the role of the first scrub, and a maximum of 40 being performed in the second scrub role (4) adhere to all ICTC and program policies (5) adhere to ICTC's attendance policy.

***space is limited for each exam**

Application Process

STEP 1:

Register for TEAS (Entrance exam)

- Cost \$82 (Payment must be made online by using a credit or debit card at the time of registration)
- Register online at **www.atitesting.com**
 - You will be asked to log in or create a new account
 - **Registration must be completed 48 hours prior to the scheduled TEAS**
 - **Number of applicants allowed for each test date may be more limited due to COVID-19 circumstances and the need to ensure appropriate social distancing**
 - Study materials and practice tests are also available for purchase on the same website
 - Testing fees are non-refundable

—OR—

Obtain ACT Scores

- Must be scores documented on high school transcript, on report from ACT website including printed student name, or residual ACT report

STEP 2:

Complete application *(last page of this packet)*

Obtain high school or GED transcript

Obtain documentation for points

- Other documentation is required for awarding of points (See "Priority Point System Explanation")

STEP 3:

Take the TEAS *(see below if substituting ACT scores for TEAS)*

Submit application, transcripts, documents for points & self-addressed, stamped, 9.5"x4" envelope at the TEAS test

- Submit completed application, high school or GED *transcript*, documents for points & stamped, self-addressed legal size envelope **at time of testing**. **Points will only be awarded for documents submitted with application**
- Bring the following to the exam:
 - Valid photo ID (eg: driver's license)
 - ATI paper/pencil ID (printed from your online registration)
 - #2 pencil
 - Mask
- Arrive 15 minutes prior to scheduled exam – exam will take approximately 3 - 4 hours
- Due to COVID-19 circumstances, screening and masks required
- **Exam Results:** Results are available to students through their accounts at www.atitesting.com – "My Results" within approximately 1 week. ICTC will also mail test scores within approximately three weeks following the test date.

—OR—

If Submitting ACT scores for admission (NOT taking the TEAS),

Submit application, ACT scores, transcripts, documents for points & self-addressed, stamped, 9.5"x4" envelope to:

Points will only be awarded for documents submitted with application

Indian Capital Technology Center – Practical Nursing

ATTN: Lisa Martin

2403 N. 41st Street East

Muskogee, OK 74403

If you have not received a letter within 3 weeks of submitting application, you may contact us at 918-348-7924 to ensure receipt of application

Priority Point System Explanation

POINT SECTIONS	EXPLANATION and SUPPORTING DOCUMENTATION
Entrance Exam (TEAS or ACT)	Points are awarded according to score levels in Math, Reading and the Composite Score. No points will be awarded for applicants scoring below the required minimum levels in Math and Reading. Composite scores could also be used in the case of a tie (see "Point Ties" section below).
Current Certification or Licensure in Health Care*	Must provide a copy of current certification or license issued by the official certifying or licensing agent. Military medics should provide a DD214. <i>*ICTC reserves the right to evaluate additional certifications not listed, and award 0-1 point based on the certification's relationship to direct patient care and the program for which the applicant is applying.</i>
Employment in health care	Must provide written documentation signed by employer verifying work experience in health care which is directly related to patient care for a minimum of one (1) year within the last 5 years.
Health-Related Education	Points will be awarded for completion of the course(s) listed below, provided an <i>official</i> transcript (college or career tech with final grade for courses) is submitted, and criteria is met. If currently enrolled, <i>points will be awarded only if an official transcript documenting current enrollment and documentation from the course instructor indicating a current grade are provided.</i> <ul style="list-style-type: none"> • <u>Health Careers Certification</u> ("HCC") or Sports Medicine at ICTC – within last 3 years; "C" or higher • <u>Medical Terminology</u> – within last 3 years; minimum of 3 credit hours or 45 clock hours; "C" or higher • <u>College level Anatomy, Physiology, A&P I, A&P II</u> – within the last 3 years; minimum of 4 credit hours each (8 hours total); "C" or higher in each both courses (course grades will be averaged for points)
Interview	Interviews have a possible 30 points, and a minimum score of 10 is required to be considered for admission. Applicants who are granted interviews will be notified by phone approximately 1-2 weeks following the application deadline and the interview will be scheduled at that time. The interview will take approximately 15-20 minutes. Applicants scoring below the minimum required levels on the TEAS or ACT will not be interviewed unless the number of applicants meeting minimum criteria for admission is not adequate to fill available positions in the program.
POINT TIES	Ties in scores following interviews will be broken by the following items in the order that they are listed below: <ol style="list-style-type: none"> 1) Applicant resides within the ICTC school district 2) Interview score 3) Number of times TEAS taken (1 or 2) 4) Composite score on TEAS or ACT 5) Reading score on TEAS or ACT 6) Points received for "Current Certification or Licensure in Health Care" 7) Points received for "Health-Related Education" 8) Date application received 9) Random drawing

NON DISCRIMINATION STATEMENT: Indian Capital Technology Center is an equal opportunity institution in accordance with civil rights legislation and does not discriminate on the basis of race, color, religion, national origin, sex/gender, age, marital or veteran status, or disability in the operation of its educational programs, activities, recruitment and admission practices. Concerns regarding this policy should be addressed to the District Compliance Coordinator, at 918-687-6383 or 1-800-375-8324, 2403 N 41st Street E, Muskogee, OK 74403. Additionally, each campus has a contact in which complaints can be reported.

**GENERAL INFORMATION ABOUT ABILITIES NEEDED FOR SUCCESS IN
HEALTH CAREERS EDUCATION**

A student in health careers education will be learning through direct participation in patient care and as a member of the health care team. To participate effectively as a health care provider, individuals should possess certain abilities which include but may not be limited to:

Vision

adequate to read very small print, diagrams, graphs, and calibrations such as mm and 0.1 ml. Also, must be able to discriminate color changes of skin and body exudates.

Hearing

conversational tones discriminate between different sounds within the body such as breath, heart, fetal heart with use of adaptive medical equipment such as stethoscope; also hear signal alerts on medical machinery.

Smell

to detect and discriminate between odors.

Touch

in order to perceive, through the tactile sense, certain parts of a person's anatomy for the purpose of identifying reference sites for various treatments and/or diagnostic procedures, to collect data during a physical exam, to render personal hygiene measures, etc.

Speak & Write

the predominant language of the geographic area in a clear, concise way during verbal and written communication.

General physical fitness / Gross Motor / Fine Motor

including strength, balance, and agility adequate to endure activities including, but not limited to the following: several consecutive hours of walking, standing, moving, and lifting other persons, pushing and pulling various types of equipment such as wheelchairs and gurneys, repetitive bending and stooping, kneeling, half-kneeling, lifting 20 lbs. repetitively, lifting 50 lbs. occasionally, push/pull 50 lbs. frequently, and frequent overhead reach activity. Fine motor skills are needed to write, to manipulate equipment such as syringes, medical equipment, and to maintain a sterile field. General physical fitness also including freedom from infectious diseases which pose a significant risk of transmission to others in the workplace if reasonable accommodations will not eliminate that risk.

General mental/ emotional fitness

adequate to ensure informed judgment and individual competence on the part of the student in accepting responsibilities, delegating activities to others and providing care to patients.

Basic academic skills

Reading & Math: prefer High School or higher grade equivalency level as evidence on approved program assessment exam(s). Skills should include; penmanship legible; word usage (written & verbal) appropriate and correct within sentence structure, words spelled correctly; ability to read and interpret various forms of written communication; working with whole numbers, fractions, decimals, calculation of such things as IV fluid rates, preparation of medication dosages, applying various formulas to determine body mass, etc.

NON DISCRIMINATION STATEMENT

Indian Capital Technology Center is an equal opportunity institution in accordance with civil rights legislation and does not discriminate on the basis of race, color, religion, national origin, sex/gender, age, marital or veteran status, or disability in the operation of its educational programs, activities, recruitment and admission practices. Concerns regarding this policy should be addressed to the District Compliance Coordinator, at 918-687-6383 or 1-800-375-8324, 2403 N 41st Street E, Muskogee, OK 74403. Additionally, each campus has a contact in which complaints can be reported.

Applicants Educated Outside the United States:

Applicants who received their high school education outside the United States must submit official documentation that their high school education and subsequent graduation is equivalent to that of a high school graduate in the United States. This may be accomplished by one of the following methods:

1. Take the GED exam and submit scores/documentation indicating high school equivalency. The applicant may contact an ICTC counselor for assistance with this process.
2. Request a review/evaluation of academic records from an official agency that specializes in validating academic credentials of persons educated outside the United States. Provide proof /documentation of such to ICTC. Such documentation must indicate that the applicant’s education meets high school graduate equivalency in the United States.
3. If the applicant has completed a minimum of 30 college hours from an accredited/approved higher education institution within the state of Oklahoma, the applicant may be eligible to petition the Oklahoma Department of Education to be awarded high school equivalency. For more information the applicant may contact the Oklahoma Department of Education at 1-800-405-0355.

It is the applicant’s responsibility to provide one of the above forms of documentation. The applicant is responsible for any cost that might be incurred.

Applicants Who Are Home Schooled or Graduated From a Non-State Accredited High School:

Applicants who are home schooled &/or graduated from a non-accredited high school should demonstrate high school equivalency. This may be accomplished in one of the following ways:

1. Take the GED exam and submit scores/documentation indicating high school equivalency. The applicant may contact an ICTC counselor for assistance with this process.
2. If the applicant has completed a minimum of 30 college hours from an accredited/approved high education institution within the state of Oklahoma, the applicant may be eligible to petition the Oklahoma Department of Education to be awarded high school equivalency. For more information the applicant may contact the Oklahoma Department of Education at 1-800-405-0355.

It is the applicant’s responsibility to provide one of the above forms of documentation. The applicant is responsible for any cost that might be incurred.

NON DISCRIMINATION STATEMENT

Indian Capital Technology Center is an equal opportunity institution in accordance with civil rights legislation and does not discriminate on the basis of race, color, religion, national origin, sex/gender, age, marital or veteran status, or disability in the operation of its educational programs, activities, recruitment and admission practices. Concerns regarding this policy should be addressed to the District Compliance Coordinator, at 918-687-6383 or 1-800-375-8324, 2403 N 41st Street E, Muskogee, OK 74403. NON DISCRIMINATION STATEMENT

Indian Capital Technology Center is an equal opportunity institution in accordance with civil rights legislation and does not discriminate on the basis of race, color, religion, national origin, sex/gender, age, marital or veteran status, or disability in the operation of its educational programs, activities, recruitment and admission practices. Concerns regarding this policy should be addressed to the District Compliance Coordinator, at 918-687-6383 or 1-800-375-8324, 2403 N 41st Street E, Muskogee, OK 74403. Additionally, each campus has a contact in which complaints can be reported.

Statements of Understanding

1. Photo Release

I give my permission to Indian Capital Technology Center to use my photograph or video image for public relations or instructional purposes. I understand that I will not be compensated in any manner for this use.

2. Approval for Release of Records

I authorize Indian Capital Technology Center to release records/information to agencies providing or preparing to provide assistance to me for my educational benefit. This includes financial aid entities, clinical/ fieldwork sites, other education entities, or official agencies.

3. Background Checks

Individuals applying for enrollment and who are admitted must comply with the request for a background check(s), which includes a sex offender registry check(s) as set forth in current ICTC policy. The background check may be shared with fieldwork/clinical facilities. Information contained in the background check may affect the individual's ability to continue enrollment in the program. In addition, background check results may affect employment or licensure.

4. Drug and Alcohol Screens

Students enrolled in health career programs at ICTC are required to have drug screens and may be subject to initial, random, and upon suspicion drug and/or alcohol screens. Failure to submit a clear screen at any time may result in immediate dismissal from ICTC. Expenses associated with all screens are the responsibility of the student. Results of drug and alcohol screens may be shared with clinical facilities as necessary.

5. Services for Students Requiring Accommodations

Adult students requiring accommodations are advised to contact Student Services at 918-687-6383 and/or notify the Program Administrator/ Instructor.

6. Financial Aid

The student is ultimately responsible for the payment of all school expenses at the time they are due.

7. Policies and Procedures

Students are expected to comply with all policies and regulations of Indian Capital Technology Center and its health careers programs. Handbooks containing policies and procedures for ICTC students and full-time Adult Health Careers students are available at www.icctech.com. Students should ensure they obtain and read these documents upon admission. If the handbook is not accessible for any reason, ICTC should be notified and the handbook be requested.

I have read and understand the above statements:

Signature of Applicant

Date

PLEASE ANSWER THE FOLLOWING **THREE (3)** QUESTIONS AND SIGN BELOW:

(1) HAVE YOU EVERY BEEN CONVICTED OF A FELONY?

Yes ___ No ___ If yes, what state(s)? _____

(2) HAVE YOU EVER BEEN REGISTERED AS A SEX OFFENDER?

Yes ___ No ___ If yes, what state(s)? _____

(3) HAVE YOU EVER BEEN DISMISSED FROM ICTC OR ANOTHER EDUCATIONAL INSTITUTION FOR DISCIPLINARY ACTION?

Yes ___ No ___

I hereby certify that I am the applicant referred to in the application and that the information I have provided is true and accurate to the best of my knowledge. I understand that if I am admitted to ICTC, any false statement or misrepresentation on this application and throughout the course of the admission process and/or enrollment shall be considered sufficient cause of dismissal from the program.
